Schemata of the Discussion

1. Strategic Plan Discussion & Conclusion with Dr. Moladad Shafa, Head PDCN, Gilgit. In light of PDCN, FFB and BF comments.
2. Approval of the plan.
3. Appreciation Note

Discussion with Participants

The meeting was virtuous and involvement of the people was quiet well. The notables, religious leaders, teachers, board members and FFB staff contributed their precious ideas to discourse the strategic plan with Dr. Moladad. There were almost 50 people from the valley to deliberate the plan and the meeting of the discussion took almost 2 hours. The Head PDCN Dr. Moladad Shafa offered the final draft of the plan and particularized its objectives and major activities. The appearance and conversation session of the participants with question answer about the absolute, well-defined and arranged activities was so fruitful to clinch the session and plan. This sitting helped all the stakeholders of the plan to acquire a contented, reciprocated acknowledgement start for the valley improvement.

Approval of the Strategic Plan

We, the FFB patronage members, community notables, religious leaders and teachers' pay distinct acknowledgments for the tireless exertion of BF and PDCN to design the three year socio-economic developmental strategic plan. We are delighted to approve it as the final draft of the plan for Hushe Valley socio-economic development. The whole partakers (Notables, religious leaders, teachers, FFB staff, FFB board and community responsible has signed to accept the final draft of the strategic plan.

Vote of Thanks

The community of Hushe Valley is so indebted. We would like to pass our paramount heartfelt appreciativeness to the whole team of Baltistan Fundazioa exclusively for their chockfull time assistance. The Felix Foundation Baltistan is so much thank full to the council of Bizkai, Basque Spain for their protuberant sustenance to the Hushe Valley improvement. We are thankful to the Agha Khan University Professional Development Center North, Gilgit who has been assisting us in technical skills throughout the plan and several times travel to the far flung valley of Hushe despite of weather harshness, especially Dr. Moladad Shafa.
